

Mastering the Art of Business through Leadership Development

EDIZEN

Workshop **Keeping Top Performers Engaged**

Summary Numerous studies have highlighted the importance of employee engagement to an organization's productivity, customer service, and overall success. In today's workplace, organizations are trying to do more with less, attract performers, and retain high potential employees. This top experiential, interactive workshop will help participants to recognize a high potential employee, recognize when that employee is disengaging and derailing, and develop strategies to turn the situation around and get them engaged once again.

Format Half day workshop

Target Audience Supervisors, managers, leaders, HR and training professionals

- Topics Covered and Learning Objectives**
- Recognizing behaviors that make someone a high performer
 - Reviewing studies on employee engagement
 - Learning tactics for keeping employees engaged
 - Understanding the importance and benefits of developing relationships and having open dialogue with employees
 - Recognizing the early and escalating signs of derailment
 - Turning the derailment situation around
 - Planning for the future

Leadership Development programs from Edizen are designed to motivate participants to take the steps necessary to improve their leadership style in ever changing work environments.
