

Mastering the Art of Business through Workforce Training

EDIZEN

Workshop **Workplace Diversity**

Summary With the changing demographics in the workplace, it is more important than ever for employees to develop effective working relationships. Whether the distinctions are based on religion, race, gender age or other factors, it is essential to build a culture of open and respectful communication. An inclusive workplace is one where people can speak the truth and listen to others with an open mind. This interactive workshop will explore all aspects of diversity, implications to the workplace, and how participants can develop effective communication skills across these differences.
