

## Mastering the Art of Business through Workforce Training

# EDIZEN

### Workshop

## Improving Communication by Exploring Personal Styles

**Summary** This workshop helps participants to identify and understand personality and communication styles. Through discussion and interactive exercises, participants learn ways of approaching and dealing with others based on their personal style. Participants learn how to identify sources of group conflict based on differing styles and how each style is likely to affect other individuals or group members.

**Format** Full day workshop

**Target Audience** All members of an intact team or group

- Topics Covered and Learning Objectives**
- Completing Personal Style Inventory™ (developed by Dr. Craig Hogan and distributed by HRDQ)
  - Understanding the strengths and weaknesses of each style
  - Capitalizing on style strengths

Edizen's experienced facilitators consistently receive the highest evaluations for delivering workshops that are interactive and meaningful.
